

**ANNEXURE A: PAYMENT DETAILS AND FEES FOR NEW + IIE ROLLOVER STUDENTS**

Fees are applicable to first time registration for the IIE qualification commencing in 2021.

**DEPOSIT, FULL SETTLEMENT AND MONTHLY INSTALMENTS**

In the case of first semester registrations, the Deposit is due upon registration to secure placement for the start of the 2021 academic year and first instalments or full settlement are due on 31 March 2021. International student's levy of R4000 is due with the deposit.

**PAYMENT OPTIONS**

- METHOD A: Full settlement by 31 March 2021 for 1st semester registrations.
- METHOD B: Equal monthly debit orders, commencing 31 March 2021 for 1st semester registrations ending when the Vega account is paid in full.

Only Method A (Full settlement) is available to non-SA citizens.

Any requests for deviations from the payment terms and methods stipulated in this contract must be directed to the Campus Vega Finance Navigator or Relationship Navigator.

**DEPOSITS AND DISCOUNTS**

Discounts are applicable on the fee (excluding deposit) for first time registrations only for a qualification for the 2021 intake. In order to qualify for the discount, the completed registration contract must be submitted AND the deposit must be paid. The discount amount is based on the month the deposit is paid as follows: *October - 5%, November - 4%, December - 4%, January - 3%*

Please note that if any subsequent Vega campaign equates to a lower fee for the equivalent 2021 registration, you will qualify for the lower fee upon request.

**Additional Admission Requirements**

Should additional entrance requirements not be met at NSC Grade 12, entrance may be granted based on Grade 11 marks for the following IIE qualifications:

- IIE BA in Interior Design
- IIE BBA in Brand Building and Management
- IIE BCIS in Game Development and Design
- IIE BCom in Strategic Brand Management
- IIE BCom in Digital Marketing

Students will be required to participate in the compulsory additional numeracy tutorials. Please refer to Annexure D for an explanation of the fees.

**Alternate Admissions – Math and Math Literacy entrance requirements**

Should additional entrance requirements not be met at NSC Grade 12, entrance may be granted based on Grade 11 marks. Students will be required to participate in the compulsory additional numeracy tutorials. The marks in the below tables must be achieved in Grade 11 **AND** Grade 12.

**IIE BA in Interior Design, IIE BBA in Brand Building Management, IIE BCIS in Game Design and Development, IIE BCom in Digital Marketing**

Alternate Admission	Subject	NSC Grade 12	Grade 11 final results required	Notes
Should the additional Maths/Math Lit entrance requirements not be met at NSC Grade 12, then, in some instances, entrance may be granted if this is met based on the Grade 11 final Maths/Math Lit mark.	Mathematics	40-49%	50% +	Register for additional tutorials for numerate modules - applicable only to contact students.
	Mathematical Literacy	50-59%	60% +	Register for additional tutorials for numerate modules - applicable only to contact students.

**IIE BCom in Strategic Brand Management**

Alternate Admission	Subject	NSC Grade 12	Grade 11 final results required	Notes
Should additional entrance requirements for Math/Math Lit not be met at NSC Grade 12, then in some instances, entrance may be granted if this is met based on the Math / Math Lit final Grade 11 mark.	Mathematics	40-49%	50% +	Register for tutorials sessions for numerate modules - applicable only to contact students.
	Mathematical Literacy	60-69%	70% +	Register for tutorials sessions for numerate modules - applicable only to contact students.

**Programme**

For each of the numeracy dependent modules listed below that are presented in the first year the students will need to attend:

- A one-hour tutorial once a week from week 2 (total of 11 tutorials)
- Complete an additional formative assessment for that module in the form of an additional test to be completed in the 11th tutorial.
- Undertake a baseline assessment of their discipline specific numeracy skills in the first tutorial so that the tutorials can be structured appropriately to support the group learning needs.

Any student who attends 80% of the tutorials may substitute the additional formative assessment mark for any other formative they have completed in the module to gain examination entry.

Any student who does not attend 80% of the tutorials will not be permitted to make this substitution. Students will be billed for this module.
