Study further with IIE Pathways

The successful completion of the IIE Higher Certificate in Video and Photography enables you to progress into any one of the IIE Design or Brand Communication Undergraduate qualifications delivered at IIE Vega.

Timetables

This qualification is aimed at students who wish to complete full-time face-to-face studies for the duration of their qualification. This means that students are expected to be available throughout the day for class in the academic year depending on how the timetable is structured. Students may also be required to write assessments or submit coursework or assignments outside of normal class time. Students who would like to pursue part time employment opportunities outside of the academic programme must prioritise their studies and avoid committing to work schedules until after they have received their timetables and academic calendar from the institution. Students must also note that timetables remain subject to change throughout the academic year.

Please note

IIE-Vega does not require a portfolio as part of the application process. That's because our primary focus is on how our students think and how collaborative they are as creative solution seekers. The development of an industry-ready portfolio becomes a core focus once you enrol and engage hands-on with any one of our design programmes. You are welcome to make an appointment with your campus Contact Navigator if you are not sure which course would suit you best. Ideally you should attend one of our GenV workshops at any of the IIE-Vega campuses to explore the different programmes on offer.

Admission requirements

Minimum Admission Requirements		English
	NSC: HC pass with	30% OR
	NC(V): HC pass with	40% OR
